MICHIGAN DEPARTMENT OF NATURAL RESOURCES
PUBLIC NOTICE
HAZARDOUS WASTE TREATMENT FACILITY

Notice is hereby given that the Michigan Department of Natural Resources has received an application from Petro-Chem Processing, Inc. for a LICENSE TO CONTINUE OPERATING AN EXISTING HAZARDOUS WASTE FUEL BLENDING FACILITY at 421 Lyncaste, Detroit, Michigan. The facility is located at the intersection of Lyncaste and Freud Avenues within the political boundaries of the City of Detroit. The application was filed to comply with Act 64, P.A. 1979, as amended, "The Hazardous Waste Management Act".

The Department of Natural Resources is currently reviewing the application to determine if the facility is adequately designed, constructed and operated to continue the activities described above. The review will result in a decision as to how the facility will be regulated under Act 64.

The Department invites public input during the review process. So that interested persons can review the application, a copy has been placed at Wayne County Health Department - Air Pollution Control Division, 1311 E. Jefferson, Detroit, Michigan (telephone 313/224-4650) where it is available for public inspection. A copy is also available for inspection at the Lansing headquarters of the Department of Natural Resources, Hazardous Waste Division, Stevens T. Mason Building, Lansing, Michigan. Copies may be purchased for the cost of reproduction (approximately \$20.00). Contact the Hazardous Waste Division for instructions on how to order.

PUBLIC MEETING
AND
COMMENT PERIOD

A public meeting has been tentatively scheduled by the Department of Natural Resources where staff members will explain the Hazardous Waste Management Act and permitting process. An opportunity for interested persons to make comments on the application will be offered. The meeting is tentatively scheduled for 7:00 p.m. on Monday, February 21, 1983 at:

Detroit Public Library - Jefferson Branch
12350 E. Outer Drive
(Intersection of E. Outer Drive and E. Warren)
Detroit, Michigan

THIS MEETING WILL BE HELD ONLY IF SUBSTANTIAL INTEREST IS EXPRESSED BY PERSONS WHO LIVE IN THE VICINITY OF THE FACILITY. Requests to hold the meeting may be made by writing to the DNR at the address given at the end of this notice. Requests must be received by February 18, 1983. If substantial interest is not shown, the meeting will be cancelled. Notice of cancellation will be posted at the Detroit Public Library - Jefferson Branch.

Written comments on the application may be submitted to the DNR at the address shown at the end of this notice. Comments must be received no later than February 25, 1983.

If, after completing its review of the application (including the public meeting, if held), the department concludes that the facility may continue in operation, it will draft a permit to regulate the facility. A copy of the permit will be available for public inspection at the same locations where the application is now available.

Written comments on the application and requests to hold the public meeting should be directed to:
